### VEHICLE NEED UPDATE

As we mentioned in our last prayer letter, we have started a vehicle fund to replace our Isuzu Trooper as soon as possible. It has more than 160,000 miles on it and has started giving several problems, some of them major.

I've done some preliminary investigation and have found that a 4x4 SUV with less than 100,000 miles will run between \$12,000.00 and \$15,000.00. We would like to get one with around 70,000 to 80,000 miles on it, if possible, but that will depend on what is available and how much money with which we will have to work. Of course there are much more expensive ones, but we are trying to be good stewards by maintaining a balance between a vehicle that will meet our needs, last a good while, and still be somewhat affordable.

We praise the Lord that a few churches have already given towards this need. **We currently have \$3600.00** towards the purchase of the newer vehicle. I hope to begin *seriously* looking for a vehicle by the end of March when I return from our Pastor's Camp.

If you have not already done so, **we would like to ask each church to prayerfully consider giving a special offering towards this need.** We know that the Lord will provide the vehicle we need! Wouldn't it be nice to know that you had a part in meeting that need? Please designate your offerings to "Vehicle Fund". Thank you so much!

### WE ARE GRANDPARENTS!

It is official! Beth and I are now the proud grandparents of a precious baby girl! **Sophia Marie Lott** was born by cesarean at 10:47 AM (CST) on Monday, February 11<sup>th</sup>. Although she arrived 12 days before her official due date, she weighed in at 7 lbs. 1 oz. and was 19 inches long. We should have expected an early arrival because her mother and aunt were born 2 weeks early, as well as her recently born cousin.

We praise the Lord that both mother (Rocío) and baby are doing well and are now at home in Lima, Peru. **Congratulations, Jon and Rocío** on making your Mom and I (as well as **Edmundo y Liliana Tenorio**) very happy grandparents!

### GOOD MISSIONS CONFERENCES

During January and February we were able to participate in **four different Missions Conferences** in Texas, including our home church's conference. It is exciting to see how the Lord is working for the furtherance of the Gospel around the world. One church, in their first year of Faith Promise, has promised double their current missions giving! **Our own home church promised \$91,691.60 for 2013! Praise the Lord!**
