

June 2013

PASTOR'S CAMP

Our 13th Annual Pastor's Camp was a huge blessing. **Bro. Gil Anger** was back this year and taught on the need for foreign missions with the theme being "Beyond These Walls." He challenged the pastor's to change their churches into training centers for sending out missionaries and aggressively fulfilling the Great Commission. Bro. Anger was also in several churches while in Guatemala and **several people trusted Christ as their Savior** during our time in Guatemala!

VEHICLE UPDATE

I stand amazed at what God can do and what little faith I have at times! What God did is simply amazing! About the second week of April, **we were able to purchase a 2007 Toyota Sequoia 4x4 with 68,500 miles on it!** We are very grateful to the Lord for His provision and for the sacrifices of several churches and friends who designated offerings for this need. Offerings came in from:

- Grace Baptist– Vidor, TX
- Faith Baptist– Temple, TX
- First Baptist - Vidor, TX
- Faith Baptist - Freeport, TX
- Trinity Baptist - Haskell, TX
- Marion Baptist - Marion, TX
- Heritage Baptist - Humble, TX
- Mt. Pleasant Baptist - Cadiz, KY
- Victory Bible Baptist– Vidor, TX
- Cornerstone Baptist - Decatur, TX
- Gospel Baptist– Oklahoma City, OK
- College Heights Baptist - Temple, TX
- Bro. Greg Flick – Cincinnati, OH
- Bro. & Mrs. Don Gray – Guatemala City, Guatemala

In addition there were a few churches that gave "extra" that was not specifically designated for the vehicle. **A total of \$18,025.00 was given**, with one offering alone being \$8,500.00! Thank you all so much for your generosity!

50th ANNIVERSARY CELEBRATION!

One of the big reasons for our delayed return to Guatemala was the celebration of my parents 50th Wedding Anniversary. **Charles & Sarah Lott have officially made it to their Golden Anniversary! Congratulations!**

Although their anniversary was on May 24th, we celebrated it on the Saturday before. There was a good turnout of almost 70 friends and family from near and far!

Although it wasn't a "surprise" party, my parents were surprised at the great job that my sisters - **Amy Eaves and Laura Daigle** – and my wife, **Beth Lott**, did in the preparation of the reception hall, decorations, etc. Thank you girls for a wonderful experience!

ORDINATION OF OUR SON!

The week after the Golden Anniversary Celebration, we had the privilege of participating in **the ordination of our oldest son, Jonathan Lott**. Ten pastors and missionaries participated in the ordination counsel that later recommended to our home church that Jonathan be ordained into the Gospel ministry.

Jonathan and Rocío arrived in the States in mid-April (with our first granddaughter, Sophia!) to begin deputation as full-time missionaries to the central jungle region of Peru. Pray that they can raise their needed support in the short six months that they will be in the States! If you are

interested in supporting their ministry please contact Jon at jlottperu@gmail.com or 254-718-1714.

Pray for us as we return to Guatemala! We will be driving back through Mexico starting on June 25th. Lord willing we will be back in Guatemala by Saturday, June 29th.
