The David Lott Family

DECEMBER 2015

NEW ARRIVAL!

On the 16th of September, we were blessed with the arrival of **our third grandchild, Jeremy Edmundo Lott**, weighing in at 7 lbs. 14 oz. Thanks to a special offering earlier this year by Friendship Baptist Church in Hurst, TX, Beth was able to travel to

Peru for the birth. I went down two weeks later, after I finished teaching at the Bible Institute here in Guatemala.

While we were there, **we helped Jon and Rocio move** from their very narrow, three-story house to a

newly built one-story house that was nearer the church. Much of our time was spent packing, moving, unpacking and "settling in," while Jon and Rocio were getting adapted to the new, three children lifestyle!

I was also able to help out with some singing and preaching at the church in San Ramon. **The pastor, Bro. Jorge Sipión, and I also taught a weekend, ESPADA seminar on Biblical Counseling** for the Bible Institute students and pastors from the Central Jungle area. Attendance was down a bit, but we still had a fairly good group for the seminar.

Our retrun trip to Lima was interesting. Due to a protest that shut down the main highway between San Ramon and Lima, we had to take an alternate route in order to get back in time for our flight back to Guatemala. What normally would have been an 8-hour drive, **turned out to be a two-day, 19-hour drive!** But we made it safely and got to see new parts of Peru in the process!

THE JOY OF YOUTH!

Since returning from Peru, we have been busy ministering in several different ways. **Our choir from our third church, Truth Baptist Church, was asked to sing for a youth conference and then for an anniversary conference at a sister church.**

Beth and I have also participated in several youth conferences and camps. The most reacent was this past weekend at the third annual youth camp sponsored by Mt. Gerizim Baptist Church. **Ninety-two young people from eight different Baptist churches were in attendance.** Five pastors, including myself, taught on the theme, "One More Mile." **Four people made professions of faith, several others got assurance of their salvation and many made life-changing decisions.** Upon returning from camp, several young people from our church talked with their parents, asking forgiveness and committing to serving the Lord more fully. Praise the Lord for these decisions and others.
