## GRATITUDE IN THE NEW YEAR!

*"We give thanks to God always for you all, making mention of you in our prayers." 1 Thessalonians 1:2*

We don't say it often enough, but we are indeed grateful for each of our supporting churches who faithfully uphold us both in prayer, as well as financially. Your continual prayers are what keep us encouraged and moving forward, while your financial support supplies our needs.

Several of our churches sent special offerings to us for Christmas. **Thank you so much for your generosity and love. You are a special blessing to us, and we thank the Lord for you being a part of our ministry!**

## MUCH NEEDED FAMILY REUNION

Thanks to some special offerings and years of accumulating "reward points," our whole family was able to get together for Christmas and New Year's at our son's house in San Ramon, Peru. The whole family had not been together in over a year and a half, so we all sacrificed in order to be together for the holidays in Peru!

in person. Of course, all of us grandparents know how important it is to be able to hold the grandkids and spoil them a bit! We sure do miss getting to play with and hold Sophie and Josh! As I kept telling her - **"Pawpaw loves Sophie!"**

Jon and Rocio have been in their place of ministry for about a year, and in August, our grandson, Joshua, was born. It was our first time to see him

Timothy was only able to be there for about two weeks, but our time with him was priceless! Sometimes you don't realize how much you miss your kids until you get to see them again... **and then not! Love and miss you, Tim!**

The rest of us were there for a whole month! We enjoyed being together, seeing some nearby water falls, and helping out at the churches in San Ramon and nearby La Merced. As usual, Beth "got right in there" and served with the other ladies! **Love you, Sweetheart! Thanks for being such a Christ-like example!**

Since Cristina is already in her third year of Nursing at PCC, she decided to donate some time at a local clinic, using her learned skills to help out there and learning some new things as well. **Great job, Tina!**

Rebekah was such a blessing as she kept the little ones laughing like nobody else could, and was at the beckoned called of "Diaper change!" for Sophie and Josh. **Thanks for your sweet, servant's spirit, Bekah!**

**Thanks, Jon and Rocio, for your sacrifice in having the whole crew there for the month!** You are a blessing and we love and miss you very much!

## REDEEMING THE TIME!

While in Peru, I preached the first of a **bi-monthly two-day conference** that Jon started for pastors and workers in the Central Jungle

area. There were **30 pastors and workers** in attendance for the conference titled **"Redeeming the TIME"** - dealing with missions and family in the ministry. **Pray for God's continual blessing on this new ministry in Peru!**
