

David & Beth Lott

MARCH 2016

25 YEARS IN GUATEMALA!

On the 31st of January, **my wife and I celebrated 25 years of having arrived as missionaries in Guatemala** by trying a new “hamburger joint” called Del Puente (From the Bridge)! As in most landmark moments, in some ways it feels like time has flown by, and in others it seems like a long time.

When we first arrived in Guatemala, it was just **Beth**, Jonathan (who was six months old) and I. Now it is even less, just Beth and I, and we are celebrating being “empty nesters”!

Jonathan is now married with three kids, and his family is serving as missionaries in Peru. **Timothy** is into his fifth year of six in the United States Air Force. **Cristina** is studying Early Childhood Development at Pensacola Christian College, and **Rebekah** is studying Music Education at PCC as well. We are so thankful to the Lord for the fine, godly children that He has entrusted to us over these last 25+ years!

God has blessed the ministry in so many ways over the years. I have had the opportunity of visiting some 25 countries, ministering in more than 10 of those. We have started three churches, teach in a Bible institute and administer regular preacher’s meetings and camps. In

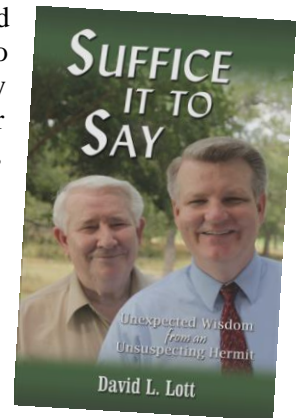

addition I have been involved in the making of two films, developed a hymnal and soundtracks that are now used in several countries through the Americas. We praise the Lord for the many lives that have been ministered to through our family over the years! **We are grateful to be your missionaries and to have you partnering with us, several from the very beginning of our ministry. Thank you so much!**

You can find a copy of our new prayer card and our most recent ministry video at the following web address:

SUFFICE IT TO SAY!

About two years ago, the Lord placed on my heart the desire to write a book about a hermit... my dad, **Pastor Charles Lott!** After many, many hours of writing, praying, rewriting, and editing, the book, **Suffice It To Say**, is finally published and I was able to present it to my father last month.

Although many do not know him personally, my father is greatly responsible for making me the man that I am today. The book is about the wisdom my dad taught me and the biblical truths that reinforce the lessons learned. You can order a copy of the book or ebook through [Xulon Press](#), [Amazon](#), [Barnes&Noble](#), or iTunes. I hope that you will get a copy and that it will be a blessing to your life! **Thank you, Daddy, for all you mean to me! God bless you for all the lives that you have touched over the years!**
