FEBRUARY 2012

## ANNIVERSARY BLESSINGS!

The first Sunday of February was the 7<sup>th</sup> anniversary of Truth Baptist Church. **We had 81 in attendance!** – a record for a service in which no other Baptist church was invited. We had special music by a guitar/violin duo, and I preached a message on what saving faith really is. Just wearing a doctor's coat doesn't make me a doctor, and just "acting like a Christian" doesn't make you a born-again child of God. At the end of the message, **4 people trusted Christ as their personal Savior** and another rededicated his life to the Lord! After the service, we all enjoyed a wonderful "fried chicken" meal together.

week. Normally they have between 35 and 50 medical professionals and volunteers on one of their missions trips!

Due to a last minute cancelation by a national pastor, and with only about 4 days advance notice, we quickly put together the medical/vision outreach in **four different churches** in the

greater Guatemala City area.

**Bro. Bradley Edmondson** (the director), **Dr. Greg Waller** (D.O.) and **Bro. Bob Landeck** (EMT) were our guests for a very busy and blessed week of ministry. **Beth** worked taking vital signs and coordinating the flow of patients. **Cristina and Rebekah** worked hard all day every day translating for the team and learning about medical missions.

## MEDICAL MISSIONS OUTREACH

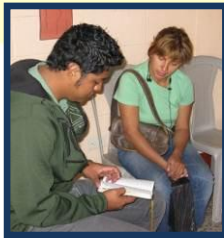

[www.medical-outreach.com](http://www.medical-outreach.com)

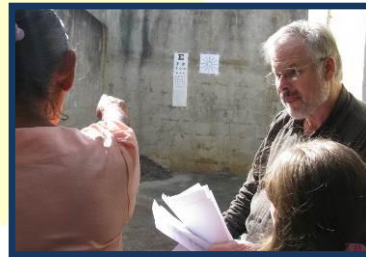

Through various unforeseen events, the Lord blessed us with the opportunity to host a "micro" team from **Medical Missions Outreach (MMO)**

here in Guatemala. MMO is an independent Baptist, local church ministry that seeks to minister to independent Baptist churches on foreign fields.

I mentioned a "micro" team, because since it was their first visit to Guatemala, MMO decided to send a three-man team to minister for the

From 8AM until 6PM each day, patients were examined, treated, prescribed medications, provided eye glasses, and witnessed to one-on-one by national Christians. By the end of the week, the team of 3 had treated a total of 698

patients. Of those, **97 trusted the Lord as their personal Savior!** Names and addresses of all 698 patients were then given to the national pastors for follow-up.

The opportunity to work with several different Baptist churches was especially a blessing, and the pastor's have already reported new visitors to their churches since MMO's efforts. (Page 1 of 2)

## CONTINUED GROWTH AND BLESSINGS!

As we reported in our last letter, we have had steady and continual growth in Truth Baptist Church since last June.

The teen's class has grown from just 4 or 5 to over a dozen each week. After the anniversary services, **our attendance has been over 50 each week** and the spirit in the church is just wonderful!

Last Sunday, **two men were saved** in the morning service and **another one** in the evening service!

Lord willing, this coming Sunday **we will be baptizing at least ten people** who have either recently been saved or who have never been biblically baptized.

God continues to bless as souls are being saved and new believers added to Truth Baptist Church!

## WEDDING BELLS SOON!

As we mentioned in a previous letter, our son, Jonathan, is engaged to Rocío Tenorio, and they are making plans for their wedding shortly after their graduation from Pensacola Christian College this Spring.

Since Rocío is from Peru, there are many plans in the making and an exciting time for the whole family lies ahead. Jon and Rocío will be having a small family wedding ceremony in Texas at the end of May for family

members and friends, and also to be legally married in the States and thus aide in Rocío's residency status in the future. Then our immediate family will be traveling to Peru for the larger formal church wedding on **June 2<sup>nd</sup>**.

Jon and Rocío have set up a website to share information about the upcoming events. You can visit their site at the following address:

[jonandrocio.ourweddingday.com](http://jonandrocio.ourweddingday.com)

Also, you might want to check out their wedding registry page at this address:

[www.myregistry.com/PUBLIC/JONATHAN-AND-ROCIO](http://www.myregistry.com/PUBLIC/JONATHAN-AND-ROCIO)

As the wedding will be in Peru, we will have a good bit of added expense involved in traveling with the whole family to South America. If you would like to help defer these additional costs, you can send your offering to our home church and designate them **"Peru Trip"**.

## FURLOUGH PLANS IN THE MAKING

Lord willing, my family and I will be leaving for the United States around the first of May for Jon and Rocío's graduation from PCC, Cristina's graduation from A Beka Academy, and of course, Jon and Rocío's wedding. After our return from the wedding in Peru, our plans are to stay in the States until the end of January 2013 for furlough.

**I will be doing my best to contact the pastor of each of our supporting churches in the coming weeks** in regards to reporting to you on our work here in Guatemala. If you would rather contact me, please feel free to do so. The best way to do so is via email at the following address: [davidlott@fbcministries.com](mailto:davidlott@fbcministries.com)

You may also want to try to reach me at our Magic Jack number (a U.S. number that rings at my office in Guatemala). That number is **(409) 356-5219**.

We will do our best to report to all of our supporting church that would like for us to come by on this furlough.

**May God bless each of you for your faithful prayers and financial support for our ministry here in Guatemala!** I look forward to contacting you very soon.

For souls in Guatemala,
