THE FURLOUGH TRAIL CONTINUES!

Thank you so much for your prayers for us as we travel on furlough! Since mid-August, **we have traveled more than 5000 miles in 18 states** (plus Washington, D.C.), reported to 19 of our supporting churches and presented our ministry in Guatemala to three new churches.

We praise the Lord for His provision for safety and protection. We have seen God work in many folks lives as we preach and see Him working in hearts.

SOULS CONTINUE TO BE SAVED!

Although we have had difficulty with Internet connections, mainly on the Guatemalan end, we have been able to maintain contact with the brethren there and have received reports of souls being saved on several occasions.

The church is excited as the youth have started **bi-weekly evangelistic outreaches using mimes** to “draw a crowd” and then share the message with Gospel tracts and one-on-one witnessing. **Each time they have gone out, they have seen souls saved! Praise the Lord!**

October 1st is “**Kid’s Day**” in Guatemala. The church decided to take advantage of the opportunity and had an outreach event. They rented an “Air Castle” for the day and invited the children from the immediate neighborhood. They had games, cupcakes and a “piñata” for the kids to break.

Since we have left Guatemala, **several folks have been saved, baptized and have joined the church.** There are also new families attending and looking at the prospect of joining the church soon.

God is also working in the church by knitting their hearts to the family of **Bro. Nelson Girón**, the man who will most likely become the pastor of the church in the future. Pray that God continues to give direction in this decision, both on Bro. Nelson’s part as well as the church’s.

FAMILY NEWS CONTINUES TO COME IN!

Jon and Rocío gave my wife a nice birthday present recently, announcing that **Beth will be a grandmother next year!** We are excited at the opportunity to be grandparents and will begin saving now for a possible trip to Peru when the time arrives. Please pray that the Lord will give good health to both Rocío and their new child as the pregnancy continues.
