## PASTORS' CAMP 2017

Pastors' Camp this year was a special blessing, as Beth's brother, **Missionary Bruce Martin**, was our camp speaker. This year we had **64 men in attendance**, which was down a bit from previous years, mainly due to economic strains among the brethren. The theme of this year's camp was **"Conflicts and Resolutions,"** dealing with issues that affect our lives as ministers of the Gospel, as well as the lives of those to whom we minister. The Biblical principles Bro. Bruce taught are so important, especially when it comes to counseling others. We all left "wanting more," as time would not allow for all of the material to be covered. It was a blessing to see all these brethren again! **Thanks, Bruce, for a great job!**

Last year I had the opportunity to participate in the ordination of Pastor Gerardo Bulnes, in Honduras. This year he invited me to be the speaker at their very first youth camp for the churches in that area. There were **40 young people in attendance**, most of whom were "second generation" Christians—children of parents who have been saved for some time.

**"And you... What do you think?"** That was the theme of the three-day camp, with two questions that were addressed: 1) Who is Jesus? and 2) What will you do for Jesus?

Many of the teenagers already claimed to be saved, but several had not made professions of faith, or were having many doubts regarding their salvation. **Praise the Lord that 11 young people received Christ as their Savior and almost half expressed a desire to get involved in some ministry in their churches!**

## BIBLE INSTITUTE GRADUATION

At the end of April we had the graduation for the newest of the Bible Institute graduates. Four students (left to right): **Mario Tunchez, Mario Mérida, Estuardo Talavera, and Lucy Santos** received their Diplomas in Theology, while **Brother Mario also received his Bachelors of Theology** through the INSTEP program of Louisiana Baptist University. **Congratulations to these graduates!**
