

David & Beth Lott

SEPTEMBER 2017

Thank you so much for your prayers and support for our ministry! We are so grateful to the Lord for your faithfulness to Him through us!

MINISTRY TRANSITION

Many may have already heard that God is leading us in a new direction in our ministry as missionaries. About four years ago, God began dealing with our hearts about the possibility of **working with our son, Jon, in the Central Jungle area of Peru**. The timing was not right then, but the burden continued and continues.

After years of praying, talking, seeking counsel from our pastor, and seeing God supply many needs in the ministry here in Guatemala, we are confident that His hand is leading in this move. **Our plan is to move directly from Guatemala to Peru sometime around April of next year.** You can see a video presentation regarding this change on our website at:

www.truthmissions.com

After Timothy's wedding, we were able to get new notarized copies of several key documents that we will need for our residency, drivers license, etc. when we make our transition to Peru next year.

Please continue to pray for this time of transition and preparation for this move. After 27 years in Guatemala, this represents a huge move for us. We will keep you informed with more details in future prayer letters.

CONFERENCES IN MEXICO

On our return trip from the States, I was able to minister among the churches in Chiapas, Mexico. I taught a **two-day music seminar to around 40 pastors and laymen** from over 10 churches who were interested in learning more about leading music in their churches.

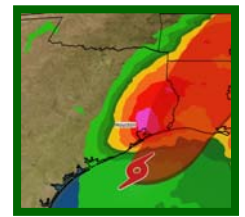

After that I preached a **three-day youth camp with around 85 teenagers in attendance**. The Lord blessed with **several professions of faith** and many decisions regarding serving the Lord in their local churches.

The following Saturday I was honored to participate in the first seminary graduation among the churches from my father-in-law's ministry. **Four men graduated with bachelor's degrees from Texas Theological Seminary** based out of Metropolitan Baptist Church in Fort Worth, TX.

HARVEY - DEVASTATION HITS HOME

As you know, **Harvey has devastated Southeast Texas** over the last several days. Many of you have been affected by its record-setting rains and floods. My parents and extended family live in the Vidor area. They have been evacuated and are safe, but some quite literally with the clothes on their backs and nothing else. Full details of the losses they have suffered will not be available for days, if not weeks. **Please pray for Pastor Charles Lott, his family and the church members of Grace Baptist Church! God bless all those who helped to safely evacuate my loved ones!**
