FAMILY UPDATE

We are thankful to the Lord for being able to have **our whole family home in Guatemala for one last time** during the Christmas holidays.

Jon and Rocío and their family are serving as missionaries in the **Central Jungle of Peru**. Lord willing we will be moving to Peru in April to join them in the ministry there.

Tim and Megan recently moved to the **Chatanooga area**. Megan will be working as a Maternity nurse in a local hospital and Tim will continue his studies at the **University of Tennessee for a nursing degree** as well.

Cristina just **graduated from Pensacola Christian College with a degree in Early Childhood Education**. She just moved to **Canoga Park, CA**, where she will be teaching 2nd grade students at Faith Baptist School.

If you would like to send Cristina a graduation gift in honor of her hard work, please send it directly to her at the following address:

Rebekah is in her **junior year of college at PCC** where she is studying **Music Education** with an emphasis in choral conducting.

God has blessed us with a wonderful, God-fearing family whose desire is to serve and be used of Him. We are grateful to the Lord for His abundant blessings!

HONORING 27 YEARS OF MINISTRY!

On December 30th, about **375 brethren from 20 Baptist churches** in the greater Guatemala City area came together for a **4-hour service in gratitude to the Lord for our 27 years of service in Guatemala**. To say the least, the experience was overwhelming!

The churches honored us by buying me a new suit, my wife a new dress, gifting our entire family with a night's stay at a resort hotel, including a special breakfast with the pastors and their wives. Each of our family members was given a plaque of recognition, and our own children honored us with glass plaques for Beth and me. There were several testimonies, special music (including songs I had composed over the years), and much more. It was truly a night to be remembered!

Beth and I are humbled and honored to have served alongside these great men and women for more than a quarter century here in Guatemala! Our soon departure will not be easy, but our friendships will last an eternity! Praise the Lord!
