## NEW TRACT PUBLISHED

In our last letter we asked for prayer regarding a new tract that we were developing for the Central Jungle. Here in Perú (as in most of the world), WhatsApp is a widely used application for sending messages and communicating with friends and family.

After praying and meditating on what the Lord would have us do, we have developed and published a new tract, **“You Have A Message”**. It is a story line tract of a young man with three friends, each having different needs. He texts them via WhatsApp and they meet in a park. After hearing their stories, he decides to introduce them to a new friend that he has, who has changed his life completely. Of course, that new friend is Jesus!

We are praying that the Lord will widely use this track in the lives of people searching for answers in their lives. **We had 15,000 tracts printed and have already distributed about 3,000 or so.** Please pray for souls to be saved by the power of the Gospel in the lives of the readers.

## NEW LAND PURCHASED

Since Jonathan came to the Central Jungle more than 4 years ago, his heart’s desire has been to have a full-time Bible Institute where students can live, work, study and prepare for the ministry without having to travel to Lima (some 8 hours away by bus). That dream has taken a huge step forward since our last letter! After much prayer, counsel, looking at land, and possible financial resources,

God has allowed us to purchase just over 15 acres of land near San Ramón for the building of the Central Jungle Bible College. God provided a very low interest loan for the purchase through a faithful lady in the States. It is now our goal to have the College ready to receive students by the next school year in March of 2019. There is a lot of work to be done between now and then, but we are confident that this is the direction that the Lord has for the ministry here. We will be giving more information regarding the building and development plans soon. In the meantime, **praise the Lord with us!**

## NEW DISCIPLESHIPS STARTING

God has begun opening hearts and doors in the town of Vitoc where we have been witnessing for a good while. **I have begun to disciple a man named Richard, and my wife has started discipling a lady named Marleny.** Pray especially for Marleny’s husband, **Carlos.** He recently had a burst appendix that became life threatening. Praise the Lord that they were able to operate in time, and Carlos is now back home recovering. He supposedly has told his wife that he was sorry for having quit church a few years back. Pray that he is sincere in his desire to rededicate his life (if he is saved), or that he would soon be saved (if he is not). **God is working in Vitoc!**

**Thank you so much for your faithful prayers and support for our ministry in Peru! You are a blessing!**
