

David & Beth Lott

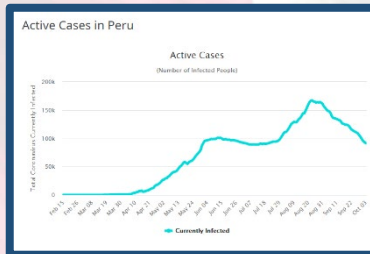

OCTOBER 2020

Greetings in the name of our Lord and Savior Jesus Christ! Our prayer is that you all are enjoying the blessing of God in your lives, families and ministries!

LIGHT AT THE END OF THE TUNNEL

Things continue to be somewhat restrictive here in Perú due to the Coronavirus outbreak. However, after 203 days of the state of emergency, there appears to be a light at the end of the proverbial COVID tunnel... We are just hoping it is not the headlight of a hundred-car freight train!

Towards the end of September, **our province (area within a state) was taken off the restrictive quarantine list.** There is still a curfew from 11:00 pm to 4:00 am, with masks and social distancing mandates and still no social gatherings allowed, but things are beginning to get back to at least “more normal”.

BETH'S BRIEF BOUT

Last month, **Beth began to have some light symptoms of the Coronavirus.** At first, she began with some recurring headaches (which she very seldom gets) then began with a lot of weakness and lack of energy (especially in the evenings). She also had occasional bouts with shortness of breath. However, **she never experienced fever or severe shortness of breath or other symptoms.** We monitored her oxygen levels closely (never seem to drop) and she took medication for the headaches and eucalyptus vapor treatments. We praise the Lord that the symptoms never worsened or increased and soon she was “as good as new”!

JON'S FAMILY IS FINALLY BACK!

As a result of the changes in September, which began earlier in the capitol than here, our daughter-in-law, **Rocio, was able to have the hernia surgery** that she has been waiting for since March. After her recovery, **Jon and his family were finally able to make it back to their home here in San Ramón just this past week!**

First Night Back in San Ramón

Praise the Lord! Pray for them as they get settled into their home again after being away for 9 months!

FIRST ANNIVERSARY AND MORE

The church here in San Ramón celebrated its first anniversary in September, although we had to do it via Facebook. It was a great time to celebrate this first milestone, but also bitter-sweet because of not being able to celebrate it together in a normal service or invite other churches to participate either. **The brethren here have been faithful to share the Gospel through testimony and tracts throughout this time,** although many people are very “distant” because of fears related to the COVID situation. Pray for much wisdom in the coming days as we make decisions regarding beginning in-person services, Bible studies and other activities.

The Bible college continues to function via Zoom video conferencing. I am teaching **Philosophy of Discipleship** to **10 students from 5 different areas,** including Lima, Villa Rica, Pichanaqui, San Ramon and Mexico!
