

# David & Beth Lott

OCTOBER 2021

## HONOR TO WHOM HONOR IS DUE!

God has been so good to us as missionaries for the last 30 years! I praise the Lord for all that He has done in and

Guatemala, as well as in Peru! However, **it would be a gross oversight and misrepresentation of the truth, if a large amount of the credit (humanly speaking)**

were not given to my wonderful wife and “help meet,” Beth Lott!

## ON THE HOME FRONT!

First, she is a marvelous **wife**, great **homemaker** (cooking, baking, sewing, cleaning, the works!), exceptional **mother**

and super **grandma!** She has fixed meals, cleaned up messes, read books,

played games, and “doctored” ailments for her children and her grandchildren. And that is just on the home front!

She has raised four godly, children in a foreign country. Furthermore, Beth has **hosted individuals and small groups** from 2 to 12 people who have visited us numerous times in our home on the field. She has also helped organize **medical missions’ groups of more than 50 people!**

## MINISTRY AND BEYOND!

Most missionaries receive the recognition for the ministries they carry out on the field, but the wives many times do as much or more than we men do. Since our kids have grown up and “left home,” Beth travels with me to places most women would never even consider going!

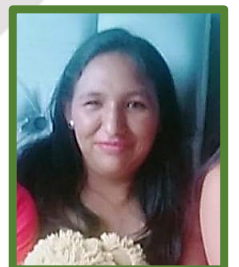

My wife has been involved in ministry since her childhood, throughout her teenage and single, young adult life, and then she married me! **For more than 33 years after marriage,**

she has been involved in teaching junior church and Sunday School classes, training ladies to teach the same, discipling new lady converts, teaching ladies classes, pastors’ wives, organizing ladies’ teas and camps, and even teaching Spanish grammar and composition classes to Bible Institute students.

Recently **Truth Baptist Church in San Ramon celebrated its second anniversary. We had over 60 in the service** and

a wonderful celebration of God’s blessings, despite the COVID pandemic and related limitations. My wife baked the cake for the special event, but more importantly **she led Lizeth Orihuela (right) to the Lord two days later.** Beth has discipled several of the ladies here in Truth Baptist Church, along with helping me with counseling couples and ladies that are looking for answers in their lives. As I write this, she is teaching another Sunday School workshop to a group here in San Ramon.

“Who can find a virtuous woman?” **I DID!** 😊
