

David & Beth Lott

DECEMBER 2021

Seasons Greetings in the wonderful name of our Lord and Savior, **Jesus Christ!** Beth and I want to wish each of you a very **Merry Christmas** and a wonderfully **Happy New Year!**

As we all know, **2020** and **2021** were challenging years, and **2022** looks like another wonderful opportunity to see the Lord work in many lives! It is our prayer that He will use you there and us here to be a blessing to many in this coming year. **This could be the year that Jesus comes!**

The members of the church were excited about the prospects of supporting a missionary to another country. Many expressed their gratitude to God for sending a missionary to San Ramón which resulted in their own salvation. Now they have an opportunity to do the same for someone else.

The Faith Promise for 2022 was just over \$250.00 per month for this small church! Praise the Lord for what He is doing in the lives of these new believers!

FIRST MISSIONS EMPHASIS MONTH

During the month of November, **Truth Baptist Church** had its first Missions Emphasis Month. It was a blessing to see God work in the hearts of the new believers as they began to get a vision of what the Lord can do **through them** in the area of missions.

The theme for the month was basically **“Let Your Light Shine”** (Enciende Una Luz in Spanish). It was the first time for most of the people to ever hear of Faith Promise giving and even to understand the concept of missions on a personal level.

For the last weekend of our emphasis, we had a Peruvian missionary that has served **7 years in Morocco as a missionary to the Muslim people** who will be returning to work in Spain with the Islamic immigrants there. It was a blessing to see how God has been working through them in such a difficult area of the world.

BIBLE COLLEGE PROSPECTS

Since the pandemic began in March of 2020, **all of our Bible college classes have been online, with students from numerous places in Peru, Mexico and Central America.** The only exceptions this year have been the week-long intense courses among the **Yanesha Indian tribe** about 3 hours away. Praise the Lord that there continues to be fruit and teachable spirits among this group of believers.

We do covet your prayers as we are looking forward to being able to begin in-person college classes here in San Ramón starting in early 2022. There are still several challenges that need to be met for that to become a reality, but we are trusting the Lord to open each door along the way.

Facilities to house the first students are still not “in place”, but there are a few positive options that we are praying about. **Please make this a special matter of prayer in the next few weeks!**

Thank you for your faithful prayers for our ministry here. Souls are being saved, lives are being changed and the devil is fighting “tooth and nail”! **Even so, Lord Jesus, come!**
