

# David & Beth Lott

OCTOBER 2022

## ANNIVERSARY BLESSINGS!

Here in the Central Jungle, the months of August and September are very busy! At least six Baptist churches within a 3-hour drive had their anniversary activities during these months, **INCLUDING OURS!** (We are thinking of voting on a new anniversary date! LOL)

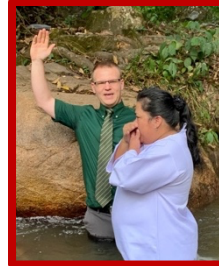

Our whole church participated in two of the churches services and activities, including a **choir special** and two soccer tournaments, one of which **we won the**

**first place trophy!** In two other churches, **I preached and taught numerous times, and Beth is teaching a ladies meeting** the first Friday of four consecutive months at one church over an hour away.

For **our third anniversary at Truth Baptist Church**, we had a couples' workshop on Friday night, an evangelistic lunch on Saturday, and a special service on Sunday with cake and punch afterwards! God is working in the lives of believers and bringing the lost to Himself! We have had several baptisms in these months. We praise the Lord for those who are preparing themselves to be used

of the Lord in different ministries. We recently have had two ladies complete a **10-hour long Sunday School teacher's workshop**, and several of the church members have started attending the Bible college classes! We now have **7 students enrolled in the college.**

Part of the anniversary celebrations at the Baptist church in Villa Rica included **five baptisms**, which I had the privilege of doing in lieu of the 87-year-old pastor who is in bad health.

We had the privilege of hosting our first pastor from the States since arriving in Peru! **Dr. Tim Pollock**, his wife **Pauline** and his daughter **Abigail** from Lodi, California were a huge blessing to us and the church! Pastor Tim ministered the Word in the couples' workshop and on Sunday, while Abigail taught the kids Bible classes, as well as a session on Good Health God's Way! What a blessing to serve God together!
