“ROUTINE” MINISTRY

Since our last prayer letter, our lives have been filled with a lot of “routine” ministry, although ministry is far from “routine” as many of you know!

Preaching

It is always a joy to preach the Gospel and the Word to men and women who need the truth! It is the preaching of the Word that transforms lives for His glory!

Teaching

Besides regularly teaching at Truth Baptist Church here in San Ramon, I also had the privilege of teaching a series of men’s meetings in Villa Rica based on lessons I have developed entitled “Men of V.A.L.O.R.” which is an acronym for Vision, Authority, Leadership Obedience and Responsibility was a blessing to the men of Christ Jesus is Lord Baptist Church. Beth also has been teaching an extended series of classes to the women at this church.

Central Jungle Bible College has finished up this year’s classes. (The regular school year here is from March to December.) We started out earlier in the year with 6 students, but ended up the year with 5 students. The homeworks and work schedule on the farm was a little too much for one young man. Hopefully he will mature a bit and be able to return in the near future to

continue his studies. We praise the Lord for the other men and one lady that have been studying diligently over the course of this year.

Discipleship

An important part of the ministry at the church, as well as part of the Bible college study plan is our discipleship program. We have a series of 15 lessons that we teach in a one-on-one setting. This gives us the opportunity to reiterate biblical salvation and eternal security with each person, plus many other subjects that we address in the course of our discipleship program.

“Mission Accomplished”

Recently several people have finished the discipleship program (which typically takes about a year), as well as one lady who finished up a Sunday School training program that my wife teaches. We praise the Lord for the spiritual growth in these brethren!

Missions Conference

Our second annual Missions Conference was held in November, with an emphasis on “Clear Vision” – maintaining a balance between “foreign missions” and “home missions” – making sure that we maintain a focus on reaching those around us, while still sacrificing to support missionaries that are serving in other countries.

PLEASE PRAY FOR OUR UPCOMING FURLOUGH!
