MARCH 2023

CHRISTMAS IN TENNESSEE

Greeting from San Antonio, Texas! As I mentioned in our last prayer letter, we are now in the States on furlough. We left Peru mid-December in order to spend Christmas with our daughters in Tennessee. Although we don't have any supporting churches or other family in Tennessee, all of our children in the States are living within a 2-hour radius of each other in the Chattanooga area. We had a good Christmas and then got to visit my brother-in-law who lives in Charlotte, NC, before heading down to Texas for the New Year and to begin visiting churches!

(including Petra) and then all the biblical sites that are covered in their regular Israel tour. **(To the right we are standing next to the empty Garden Tomb!)** Incredibly, we were able to do this exciting tour for almost the exact amount that the kids had given us!

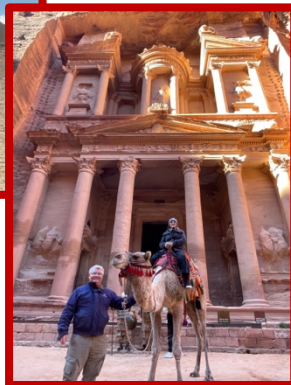

After a week of visiting churches in the U.S., Beth and I took advantage of the special offer and traveled to the Middle East. **Needless to say, we enjoyed ourselves immensely and are so very thankful for the generosity of our kids!**

TRIP OF A LIFETIME!

For Beth's birthday last year (in August) our four children surprised us both with a very special gift - an offering to pay for us to be able to go to **ISRAEL!** Boy, were we surprised and excited!

Beth and I found a travel agency that gives discounts to full-time ministers.

In addition, they offered **"THE EXODUS TOUR"** - a 15-day tour that began in Egypt, traveled through Sinai, Jordan

FURLOUGH BLESSINGS!

What a joy it has been for us to renew friendships and begin new ones as we have traveled in **January and February**, reporting to our supporting churches in the **Texas area**. God has been so generous to us through his churches that our hearts are overwhelmed at His goodness!

During **March**, we will be in the **Texas and Oklahoma** areas. In **April** and the beginning of **May** we will be visiting churches **from North Dakota, to Virginia, to California** and many in between! Please pray for our safe travels, for our vehicle that has been running great so far, and for our continued health. For about 3 weeks after returning from Israel I fought a terrible sinus infection, which included a visit to the doctor, shots and powerful antibiotics. Thankfully, I am healthy again and looking forward to what the Lord has for us as we share with our supporting churches what God continues to do in Peru!

Pray for Jon and Rocio as they carry on the work in Peru while we are in the States until June! God bless you all!
