HAPPY THANKSGIVING!

I am blessed to write to you as we approach one of the most unique holidays in the world - **THANKSGIVING!**

While some countries around the world have attempted to adopt our special holiday of thanks (at least in part), it remains a unique holiday to the United States in both its roots and its reason.

Here in Peru we have much for which to be thankful:

MISSION GROUP FROM LIMA

Recently we had a mission group come from the capital, Lima, for a weekend to help with evangelism and some maintenance on our rented building.

The 15 people in the group helped to distribute over **3000 tracts in two days**, including art evangelism in the market and parks. Many people received the Gospel and an invitation to the church, with **three professions of faith on Saturday**.

In addition, the group helped to prep and paint the concrete floor of the church, which made a great improvement in its appearance. Thank you to each member of the team from **New Life Baptist Church of Sol de la Molina!**

ANSWER TO A 4-YEAR PRAYER

There is always joy over a sinner coming to know the Lord as their Savior, but there are some that are an extra special blessing. One of those is actually two of those, in this case!

One of the first couples that got saved just prior to starting the church here in San Ramón is **Paul and Paula Quispe**. They have become very faithful and active Christians since the beginning of Truth Baptist Church here in San Ramon. Paul regularly gives devotions in the main services and helps Paula in her Sunday School class from preschoolers to 8 years of age.

For over 4 years we have been praying for the salvation of Paula's parents, **Jorge and Susy**. They have attended services off and on over the last several years, but have struggled with not wanting to let go of their drinking and also dealing with really rough personal backgrounds. However, this week both **Jorge and Susy trusted Christ as their Savior and this morning made a public profession of their faith in Jesus Christ!** Talk about rejoicing!! Heaven for sure was, but we here on earth were greatly rejoicing as well!! What a blessing and joy to see them in church and making their faith known to all in attendance. Please rejoice with us, and pray for them as they begin their Christian lives.
