FEBRUARY 2024

## BLESSED HOLIDAYS!

We are blessed to be working with our son, **Jonathan**, and his family here in Peru. We get to see his family (including four of our grandkids) several times each week. While it is not the reason we came to Peru, it is certainly an added benefit of following the Lord's leading in ministry! 😊

As missionaries living in a different country, we do not get to see our children and grandchildren very often. Sometimes it can be several months, but many times it is several years before we get to spend time with our family.

During this holiday season, we had the joy of having our daughter, **Rebekah**, here for the two weeks before and after Christmas, and our daughter, **Cristina**, her husband, **Josh**, and our granddaughter, **Anna**, here for the first two weeks of 2024! Because of their work schedules, there was just over two days of overlap in which they were here together.

We missed having **Tim and Megan** here (our other son and his wife), but their work and studies wouldn't allow it. We enjoyed every minute with each other, and especially getting to spoil little "Anna Banana" (a.k.a. "Mi Chiquita"). **Thank you for your sacrifice in time and money to come visit Mom and Dad in Peru! We love you all!**

## MINISTRY CONTINUES

January and February is vacation time in Peru (schools are out), and that usually means many are traveling at different times and some are just "gone" for these two months! However, ministry continues on!

The first week of December, we have a "Costume Night" for the kids each year. We had many new kids in attendance and some have come to Sunday School as well.

In January, we had our second "Entre Chicas" night ("Between Girls"). This is an outreach for girls from 8 to 18 and their mothers in which Beth and Rocio teach different subjects of interest (how to use proper "etiquette", how to choose good friends, etc.). Several mothers and daughters have attended disservices as a result of this outreach.

The Sunday School kids got rewards for **verse memorization** for the quarter (12 verses) and a few received a special award for saying **52 verses all at once for the year!**

In February, we start the **Bible College classes** back up with several new students enrolled for virtual classes and a few new students for in-person classes as well. Pray for them!
