GROWTH IN THE BIBLE COLLEGE

Ministry in Peru has been very busy in the last several months. The Lord is blessing with people being saved and discipled. There are also several that have been attending for some time that are considering church membership. We praise the Lord for what He is doing in the lives of people here in San Ramón.

One blessing we have had this year is the considerable increase in Bible College students. This year we have **12 in-person students** (up from 5 last year), with **4 of those students being boarding students** from other parts of the Central Jungle. Besides the in-person students, we have **between 10 and 20 online students** (depending on the course) that include students from Mexico, Honduras, Chile, and other places in Peru outside the Central Jungle region.

With the increase in students, comes the increase of quizzes, tests, projects, etc. Obviously, it has increased the work load a considerable amount from last year. We praise the Lord for each student and for the growth in the Bible College, but it does cause us to depend more each day on His Grace in fulfilling all the ministry needs and responsibilities.

MINISTRY IN GUATEMALA

It has been over five years since we visited the brethren in Guatemala, where we ministered for over 27 years!

In 2001, I started an annual week-long Pastor's Camp for helping national pastors in their ministries and for developing a closer bond among the pastors in Guatemala

and the surrounding countries. The pastors that are now in charge of that ministry asked me to speak at the camp this year, which I gladly agreed to do.

The theme of this year's camp was **"We Are At War!"** with the focus being on **spiritual warfare**, especially as it pertains to **the pastor's personal life, his family life and the ministry.**

There were **100 pastors and lay ministers** in attendance at this year's camp, and many decisions were made regarding strongholds that we have allowed the enemy to form in our lives, and which in turn have an effect on us, our wives, our children and our churches. **We praise the Lord for working in many lives during this week!**

I also preached and sang in **6 different churches** during our time in Guatemala. What a blessing to fellowship with longtime friends and brethren!

Beth was also invited to teach the **annual three-day ladies' camp** the following week. This is one of the ministries that Beth began many years ago. Their theme was **"Free for His Glory!"** that also dealt somewhat with strongholds in ladies' lives. They had **90 ladies in attendance** and several ladies gave testimony of the huge blessing that Beth's teaching was at the camp, and the great role model that she has been over the years!
