FEBRUARY 2025

“SUMMER TIME” IN PERU

Greetings from the Central Jungle in Peru where we are in our “summer time” (southern hemisphere) and also “vacation time” (school year). January and February are typically a slower time of year for ministry and for church attendance, as different families take advantage of the break between school years and travel for vacation or to see family. While attendance has been down a bit, we still try to stay active with some additional ministry opportunities.

AMONG GUYS AND GALS

One of the ministries for this “off season” that began last year is “Among Gals” and “Among Guys”.

Each of these ministries has a focus on teaching and reaching the preteen age groups, but also including the teenagers that are interested.

Another ministry that we just started is a **monthly teens’ night** to evangelize more teenagers in the area. We have several games, songs and teaching based on a specific theme that is of interest to that age group. The response has been exciting, as many of these teens have never heard a clear message of the gospel before. **Please pray for “fruit that remains” as this ministry moves forward!**

DISCIPLESHIP DUO

This past Sunday, it was our privilege to recognize **Jorge and Susy Anticona** for finishing their discipleship. If you remember, we asked prayer for the salvation of Jorge and Susy a good while back, then were able to report not only on their trusting Christ as their Savior, but also on their baptism. **It was also a blessing to see them finish the 15-lesson discipleship course. God is good... All the time!**

20TH ANNIVERSARY

Also, this last Sunday we received pictures from the **20th anniversary** activities of **Truth Baptist Church** - the third church we started in Guatemala City. We praise the Lord for the faithfulness of the brethren in Guatemala and for what the Lord continues to do to transform lives for His glory!

Please be in prayer for the following requests:

- **Starting of Seminary classes for this year** (March)
- **Rocio’s U.S. residency process** (our daughter-in-law)
- **Complete healing of my arm and shoulder** (strain from sport’s injury at church activity)
