## PASTOR'S CAMP IN GUATEMALA

One of the joys of ministry is to see people mature in the Lord and continue to prepare for ministry. In the month of April, **Bro. Milton Yauri** (our first Bible college graduate) and I had the opportunity to attend our annual Pastor's Camp in Guatemala.

This year, **Dr. David Liles**, a Baptist missionary from Lima, preached our Pastor's Camp on the subject of pastoral counseling, entitled **"The Art of Counseling"**. His excellent teaching and counsel was a tremendous blessing to the **93 pastors and laymen** that were in attendance.

It was Bro. Milton's first time on a plane and his first time in Central America. God allowed him the opportunity to preach at a Baptist Church in Guatemala City. Please pray for Milton's continued growth and development in ministry.

## TREASURE HUNT EVANGELISM

For Easter week we tried a new type of evangelistic outreach – a **Treasure Hunt!** In three different locations in San Ramon,

we set up **stations with QR codes** at each that gave a progressive explanation of the Gospel and instructions on how to get to the next station. At the fourth and final

station, each person received an ice-cold soft drink and was witnessed to one-on-one with a prepared soul-winner. **Twenty-two people received a personal explanation of salvation.** Although the results were few, we also learned from some mistakes that we hope will allow our next efforts to be more successful.

## ALTO YURINAKI AGAIN

After almost two years of not giving classes in **Alto Yurinaki**, in April we were able to continue teaching in this community. The title of this course was **"The Pentecostal**

**Controversy"** where we examine biblically the charismatic practices of prophecies, healings and speaking in tongues.

## FIXIN' A BROKEN WING

On April 30<sup>th</sup> I was finally able to have my shoulder surgery. I had a **partially torn tendon and a SLAP lesion in the rotator cuff area of my right shoulder** repaired. It was a day surgery with general anesthesia. Thank the Lord, I am doing well with relatively little pain.

### Prayer Requests:

- **David's complete recovery from shoulder surgery.**
- **Rocio's (daughter-in-law) appointment at the U.S. Embassy in Lima for her citizenship process (May 28<sup>th</sup>)**
- **David's dad's declining health**
